Drone Demo

Crowds at CFTRI witness use of drones in farm operations

Mysuru, May 20 (RK&BCT)- A demonstration of drones in agriculture and farm operations was held in city this morning where the crowds witnessed their uses to save money, time and labour.

The game-changer display was held on the second day of the third edition of three-day conclave TechBharat-2022 that began at the Council of Scientific and Industrial Research (CSIR)-Central Food Technological Research Institute (CFTRI).

The mega event was inaugurated yesterday and it is being organised by the IMS Foundation and Laghu Udyog Bharati - Karnataka Chapter in collaboration with CSIR-CFTRI.

Union Minister of State for Science and Technology and Earth Science Jitendra Singh and Minister of State for Agriculture and Farmers' Welfare Shobha Karandlaje operated the drones to open the demonstration to the public. Dr. Sridevi Annapurna Singh, Director of CSIR-CFTRI and others were present.

The two drones, NAL Octa-Med and NAL Octa-Agri, have been designed by CSIR-National Aerospace Laboratories (NAL), Bengaluru, are called Drone-based vaccine/ emergency medicine deliveries and have a payload of 10 kgs and 20 kgs. They have a maximum flying speed of 30 km and 36 km per hour and a maximum range of 20 km. They have a maximum launch altitude of 3 km and an operational altitude of less than 500 mts AGL.

Pesticides and liquid manure were sprayed from the drones on plants at CFTRI garden in front of the main building as part of the demonstration. Progressive farmers and entrepreneurs attending the event were told that the drone can spray 10 acres of agricultural or horticultural land in just 20 minutes saving money, time and labour. Each drone costs Rs. 4.5 lakh and it is a one-time investment.

The NAL drones were used in Jammu & Kashmir for dropping medicines. Farmers can get these drones on rent to assess their crops and they can improve returns from their farm produce. Apart from the demo, a technical session on drone tech and an exhibition of drones used in farm operations has been organised where interested parties can interact with manufacturers.

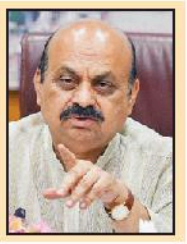
CM to resign today?

- **Scheduled to arrive in Delhi at 5.35 pm**
- **To meet Union Ministers later**



We cannot count the days in politics. Anything could happen over the next week in the political situation in Karnataka." Basavaraj Bommai had said on May 11 after a meeting with Union Home Minister Amit Shah.

Bengaluru, May 20 (KMS & BCT)- Chief Minister Basavaraj Bommai is expected to tender his resignation in New Delhi before the BJP National President J.P. Nadda and Union Ministers tonight.

The CM has cancelled all his official meetings for today afternoon and finished his morning Bengaluru city rounds to assess rain damage in a hurry. He is scheduled to board an Indigo flight to New Delhi at 2.55 pm and arrive at 5.35 pm. His itinerary for today evening says that he will meet Union Ministers.

Highly placed sources told *Star of Mysore* this morning that the official announcement of the resignation will be made only after June 3, after the completion of withdrawal of nomination papers for Rajya Sabha elections scheduled to be held on June 10.

Sources said that Basavaraj Bommai was to leave for New Delhi on Wednesday (May 18) night but as the rain battered Bengaluru, he sought two days' time from the party high command. Amidst intense criticism from the flood-affected people of Bengaluru, he conducted a tour of the city to assess the damage.

Today he wrapped up the flood assessment tour in a jiffy and headed straight to his R.T. Nagar residence. People close to him, however, maintained that the CM is leaving for Delhi to discuss the Cabinet expansion and the Rajya Sabha and Legislative Council elections. But official sources confirmed that the CM will resign but the formal announcement will only be made later.

Davos trip

After submitting his resignation, the CM will head for the World Economic Forum Summit to be held in Davos.

Calling law graduates

Mysuru, May 20 (SSM)- The Social Welfare Department has invited applications from law graduates belonging to SC Community to avail student scholarship under its law practice training programme.

The eligible Law graduates, aged below 40 years who have received their law degrees two years ago, may apply.

The applicants must have registered with the local Bar Association and must be a member of Karnataka Bar Council.

The annual family income of the candidates should not exceed more than Rs. 2.5 lakh.

Candidates must not have attended any training organised by any Departments (DC office or Women & Child Welfare Department) anywhere within the district or State.

Interested eligible candidates may apply online after registering through the Social Welfare Department portal ***(https://sw.kar.nic.in/)*** before May 24.

The copy of filled-in applications and relevant documents, attested by a Gazetted Officer, must be submitted at the office of the Taluk Social Welfare Department Assistant Director before May 25, according to a press release.

EDITOR'S BOTTOMLINE

Defining beauty is no less than fixing a jigsaw puzzle. Intellectuals have delineated the various contours of beauty in their own subtle and sublime way. The laymen though less profoundly also dwell on the idea with their own sanity and sense of understanding.

A literary adage "the beauty lies in the eyes of the beholder" cuts ice with the scholarly and the rustic alike. It seems that whole world has turned unrecognisably wired and people have an erroneous idea of beauty. Wearing gorgeous and bewitchingly swanky branded attires can make one extremely pleasant to the outward eye but if he exudes inordinate and obdurate pride, he is immediately reduced to a bête noire to the others because of his sheer callous and condescending ways.

Souls like Mother Teresa and Dr. APJ Kalam are the people who epitomize the concept of real beauty and make it unequivocally understandable. There is a large number of such people worldwide and with their handsome deeds and beautiful behaviour, endear themselves to the masses. This world can only be redeemed of its shoddiness and slovenliness if the minds are beautified. But man with his distorted definition of beauty is squandering his energies and resources elsewhere.

The revered Buddha's charismatic charms are still capable of holding us spell-bound because of the quality of his life, not his robes. Once while delivering his sermons, Buddha was asked of beauty by one of his followers. He responded that one must not be proud of one's physical beauty rather one must diligently cultivate the beauty of soul. The body is bound to perish. One must strive to make one's soul beautiful not with cosmetics but karmic changes.

NEWS SPARKLERS

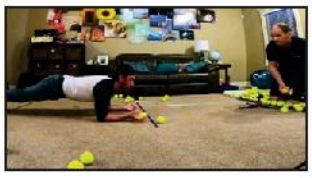
Woman with split tongue tastes 2 drinks at once

California: Brianna Mary Shihadeh is a dreadlock artist living in California has surgically split her tongue and now said that she can taste two separate things at the same time. Shihadeh, who has over 228,000 followers on Instagram, recently posted a reel on the social media platform where she tries a soft drink and water at the same time. She said that doing this makes her brain feel weird.

The process of tongue splitting is dangerous and those who do it "are putting themselves at serious risk of haemorrhage, infection and nerve damage," a Journal said.

Selina Master, Junior Vice Dean of the Faculty of Dental Surgery at the Royal College of Surgeons in the UK has said: "As dental surgeons, we've seen some of the horrific consequences of these procedures. It's so important that people realise they are putting themselves at serious risk of significant blood loss, infection, nerve damage and problems being able to breathe or swallow."

World record for catching balls while planking



Idaho: An Idaho man held the plank position for one minute and caught 66 balls while alternating hands to break a Guinness World Record. Jonathan Hannon, a frequent collaborator of serial record-breaker David Rush, earned his first solo Guinness World Records title when he broke the mark for most alternating catches in one minute while planking.

Hannon managed to catch 66 tennis balls in the one-minute time period. Rush said they only discovered after submitting their total that it was a one-person record, earning Hannon his first solo Guinness title.

Rush, who has broken more than 250 records discovered he had a hard time holding the plank position for the required length of time.

Take steps to provide treatment to all HIV infected: DC instructs officials

Mysuru, May 20 (SSM)- Deputy Commissioner (DC) Dr. Bagadi Gautham has directed the district officials to make sure all HIV infected patients are provided treatment across district at Government facilities.

He was speaking at the district-level coordination committee meeting for effective implementation of schemes and benefits provided by the Government for the HIV infected people at his office on Wednesday.

"The Health Department officials must prepare the list of HIV infected people for allotment of houses under Rural Housing Scheme," he informed.

Instructing the Women and Child Development Department officials to provide a monthly assistance of Rs. 1,000 to the infected people, the DC said, "Scholarships for HIV infected children must be provided along with integrated testing and counselling sessions to all the infected people regularly.

District AIDS Control Society Officer Dr. Mohammed Siraj Ahmed who too spoke, said that they have provided free counselling and treatment for over 9,139 HIV infected people in the district and also several awareness programmes about the Government schemes have been conducted.

District Health Officer (DHO) Dr. K.H. Prasad and other district-level Health officials were present at the meeting.

Early career programme workshop: Entries Invited

Mysuru, May 20 (SSM)- The Karnataka Skill Development Authority in association with HCL Technologies has invited entries from candidates to take part in an early career programme workshop under its TechBee initiative.

The TechBee programme prepares students technically and professionally for global IT careers in HCL, where candidates undergo an extensive 12-month training to become successful IT professionals and work for world-class global companies.

Candidates who have a pass in II PUC (2020-21) with Mathematics subject or Business Mathematics course are eligible to apply. Candidates must have a minimum of 60% marks in Mathematics and Business Mathematics subjects. The selection will be done at Government Industrial Training Institute (ITI), N. R. Mohalla on May 21 between 9 am and 5 pm.

Interested eligible candidates may attend the selection process by registering their names online at https://bit.ly/hcltechbeeworkshop

Kukkarahalli Lake: A model Lake for eco-tourism

Sir,

Earth Day was celebrated on April 22 and it is important to remember that Mysuru has some of the best ecological hot-spots on the earth. Not many are aware that right in the middle of the city, the Kukkarahalli Lake is home to a wide variety of flora and fauna. This has been well-documented by the Mysore Nature Organisation on their website and published also in the coffee-table book on the Lake brought out by Mysore Grahakara Parishat (MGP).

Mysore University students can further add more studies about the Lake. Anyone who has carefully observed Kukkarahalli Lake with mindfulness can understand that this Lake can be a great place for eco-tourism.

Except for public walkers in the morning and evening, the 10 am to 3 pm can be dedicated for the paid visitors to appreciate the trees, birds, butterflies and other species in the natural surroundings, right in the middle of the city. There can be e-cycles, limited "catch & leave" fishing and other nature-friendly activities. Nature enthusiasts should be made as guides for Lake visitors. Urgently, the weeds that are growing over large areas of the Lake and the drainage should be addressed.

Similarly, more than a dozen dogs and piglets that have made this Lake their home should be evacuated. The feeding of pigeons should be stopped immediately. All these measures will make the Lake the best eco-tourist centre within the city.

NEWS BRIEFS

Objections invited

As the City's Tobacco Board Employees Housing Co-operative Society has ceased to function, the Cooperation Department has planned to cancel the registration of the society following liquidation. The members of the society or members of the public can submit their objections if any, in writing to the Liquidation Officer (Assistant Registrar of Cooperative Societies) within June 13. If no objections are received, the Department will go ahead with the cancellation of registration of the society.

KSOU VC's tenure extended

The tenure of the city-based Karnataka State Open University (KSOU) Vice-Chancellor Prof. S. Vidyashankar has been extended by a year, 10 days before he was due to demit office. Prof. Vidyashankar's three-year tenure as KSOU VC was to end on May 29. But now, the Governor, who is the Chancellor of all State-run Universities, has issued an order extending his term by an year.

Senior IAS officer N. Jayaram to submit report in 30 days

State orders probe into cloth bag scam, swimming pool at DC bungalow, 2021 May COVID death audit

Rohini Sindhuri

Bengaluru, May 20 (KMS&BCT)- After ordering an investigation in March this year into the alleged cloth bag scam where former Mysuru Deputy Commissioner (DC) and the present Commissioner of Hindu Religious and Charitable Endowments Rohini Sindhuri has been accused of misappropriation of funds, the State Government has appointed senior IAS Officer and Chairman of Bangalore Water Supply & Sewerage Board N. Jayaram as the Investigating Officer.

N. Jayaram

The order to this effect was issued on May 17 by Under Secretary, Department of Personnel and Administrative Reforms (DPAR) James Tharakan. Jayaram has been asked to submit his report within 30 days. Along with the alleged cloth bag scam, the State Government has also asked him to investigate the construction of a swimming pool and a gymnasium at the official residence of the Mysuru DC and also the reported disparity in death numbers during the peak of COVID-19 pandemic.

K.R. Nagar JD(S) MLA S.R. Mahesh had accused Rohini Sindhuri of corruption in the cloth bag distribution scheme as part of a plastic-free campaign in Mysuru district when she had served as Mysuru DC.

He had alleged that the IAS Officer had placed an order for 14.71 lakh cloth bags at a price of Rs. 52 a piece, which amounted to Rs. 7.65 crore, meant for distribution to households in all Urban Local Bodies (ULBs) of the district, including Mysuru City Corporation (MCC).

He had claimed that the cloth bags were actually available for Rs. 10 or Rs. 13 a piece in the retail market in Mysuru. Under the scheme, every household was to receive two bags — one with a capacity to carry 5 kg and another 10 kg, he said.

Alleging kickback in the scheme, which had led to a loss of more than Rs. 6 crore to the State Exchequer, Mahesh, who is also the Chairman of Karnataka Legislative Assembly's Committee on Papers Laid on the Table, had contended that the scheme was taken up without bringing the matter to the notice of any ULBs in the district.

Mahesh had written to the State Government alleging misappropriation on Sept. 3, 2021. He also alleged that Rohini Sindhuri had not obtained the required permissions before the construction of a swimming pool at the DC's official residence Jala Sannidhi on Hunsur Road at an estimated cost of Rs. 50 lakh.

Mahesh alleged that Sindhuri violated norms by not seeking permission from either the Heritage Department or the Empowered Heritage Committee before constructing the pool in a heritage property. Also, vitrified tiles were laid in the property in complete violation of heritage rules. He urged the State Government to make her pay for wasting public money.

'Allegations unfounded'

But soon after the allegations surfaced, Rohini Sindhuri had dismissed the charges as false and unfounded. She had clarified that the work order for cloth bags distribution scheme was given to State-run Karnataka Handloom Development Corporation (KHDC) and added that the order was placed in compliance with Karnataka Transparency in Public Procurements (KTPP) Act.

Also, she had defended the construction of an indoor swimming pool and said that construction of the pool was a pilot project under Nirmithi Kendra out of the Kendra's own funds. It was a project to demonstrate the use of locally available materials by adopting low-cost, effective technology, she had stated.

Former Mysuru Deputy Mayor Shailendra had alleged that as per the death report from crematoriums and burial grounds, in May 2021, 969 people had died due to COVID but DC mentioned the figure as 238. He had written a letter to the Government on June 15, 2021 and also sought a probe into the role of Rohini Sindhuri as Mysuru DC into the deaths of 24 COVID patients at Chamarajanagar District Hospital due to lack of oxygen.

Rider killed as goods vehicle rams into bike

Srinivas

Hunsur, May 20 (Raghu&KS)- A two-wheeler rider was killed, when a goods vehicle rammed into the bike he was riding near Tirumala Layout in the town on May 17. The deceased is Srinivas (53), son of late Venkataiah and a resident of R. Hosahalli village of Ravandur hobli in Periyapatna taluk. The deceased was a relative of *Mysuru Mithra* reporter at Hunsur K. Krishna (KK).

Srinivas, along with his friend Swamy, was proceeding on the Hero Honda bike (KA-12-J-6562) from Mysuru towards Hunsur and when they neared Titumala Layout near APMC on National Highway-275, an Ashok Leyland goods vehicle (KA-12-B-3746) rammed into the bike from behind resulting in Srinivas sustaining serious injuries on his legs and head. Srinivas was rushed to Hunsur General Hospital, where he was provided first-aid and was being rushed to K.R. Hospital in Mysuru, where he breathed his last mid way. Hunsur Town Inspector Srinivas and staff, who rushed to the spot, registered a case and have seized both the vehicles. Post-mortem was conducted and the body was handed over to the family members.

Cable operators asked to pay annual fee to CESC

Mysuru, May 20- The CESC (Chamundeshwari Electricity Supply Corporation), taking note of default by cable service providers in respect of payment of annual fee for drawing cables on electric poles and other CESC equipment, has asked TV Cable, Internet Cable and other Cable service providers/ agencies to pay up the annual fee to CESC without fail.

In a press release, the CESC said that the cables drawn on electric poles will be removed without any notice, if cable service providers or agencies failed to pay the annual fee within a week.

The release further said that it has come to the CESC notice that cable wires have been drawn unscientifically or erratically on electric poles, which, apart from posing a threat to public safety, also hinders climbing of electric poles by linemen. As unscientific and erratic drawing of cables are a risk to public safety, especially when monsoon is round the corner and mishaps may happen, the agencies are asked to rectify the same. Else, such cables will be removed without any notice. Also, the concerned agency will be held solely responsible for any mishaps that may occur, the release said. For details, contact Ph: 0821-2434165.

Felling of trees for road widening

Public meeting tomorrow

Mysuru, May 20- In order to take up road widening works on the 1-km stretch (km 185 to 186) of NH-212 near Hosahalli Gate, the National Highways Authority of India (NHAI) had sought the permission of the Forest Department for felling of roadside trees.

Subsequently, the Forest Department staff, along with NHAI officials, carried out a joint survey, when it was found that a total of 91 trees, including 33 trees on the right side of the road and 58 on the left side of the road have to be felled for road widening and rectification of the identified black spots.

Accordingly, the Forest Department has called a public meeting near Hosahalli Gate bus shelter on Nanjangud Road at 11 am tomorrow (May 21) on the issue of felling of trees, during which citizens can come up with their objections, if any, during the meeting. The citizens can also e-mail their objections through e-mail: *nanjangudrange@gmail.com*

Obituary

P.V. Jnanadev

Mysuru, May 20- P.V. Jnanadev (72), son of former Municipal Vice-President late S. Venkataramanaiah and a resident of Paduvarahalli, passed away yesterday night at his residence in city.

He leaves behind his wife Kamalamma, daughter Geetha and a host of relatives and friends.

Last rites were performed at Chirashantidhama in Gokulam this afternoon.

SSLC results: Mysuru district records 91.38 pass percentage

Mysuru, May 20 (MTY&DM)- Mysuru district has recorded a pass percentage of 91.38 in the SSLC exams (2021-22), the results of which was announced yesterday. The SSLC exam was held across the State from Mar. 28 to Apr.11.

While Periyapatna taluk topped the district with a pass percentage of 94.64, K.R. Nagar taluk came last with a pass percentage of 87.35.

A total of 117 schools in the district, including 74 unaided, nine aided and 34 Government Schools, recorded cent percent results. At the same time, no school in the district recorded zero pass percentage this year.

While six students scored the maximum (625/625), 13 students scored 624/625, 23 students 623, 23 students 622, 22 students 621 and 33 students have scored 620/625. In other statistics, 977 students of the district secured the maximum marks in First language, 429 in second language, 627 in third, 467 in Maths, 238 in Science and 1,663 in Social Science.

DDPI Ramachandraraje Urs, who held a press meet following the announcement of results yesterday, said that out of 36,128 students who had appeared for the exam, 33,012 were successful, while the rest failed. Pointing out that 32,337 students passed out in Grades ranging from A+ to C+, he said that a whopping number of 4,401 students in total scored full marks in different subjects, which shows how good the district fared in the SSLC exam.

Noting that the Department had chalked out programmes under more than 50 heads for getting better results, Urs said that the combined efforts of all teachers was responsible for the good results in the district. The department had also conducted night classes for students who lagged behind in learning, he added.

Meanwhile, G. Devika of Carmel School in Nanjangud became the sixth student of the district to score maximum marks. The others are B.S. Aditi and Yashaswi Urs of Sadvidya High School, K. Charukeerthy of Marimallappa High School and M.G. Ektha of Government Adarsha Vidyalaya in city and B.M. Disha of BGS High School in Bannur. Invariably, all the six toppers of the district are girls.

G. Devika

M.G. Ektha, one of the toppers is the daughter of LIC agent M.C. Ganapathi and M.S. Gangamma couple, residents of Siddarthanagar in city. Speaking to *Star of Mysore*, Ektha said that she was a student of Government Adarsha Vidyalaya in Jockey Quarters and never went to tuitions. Pointing out that she used to regularly refresh the lessons taught in her School, she said that apart from her hard work and dedicated studies, she was inspired by the words of MLA S.A. Ramdas when he visited the school for attending a programme held a few months ago. She wants to serve the country by joining the Defence Forces, she added.

B.M. Disha, student of BGS School in Bannur, comes from a family of farmers. She is the daughter of Mahesh and Lakshmi couple of Basavanahalli near Bannur.

She said that she never attended any tuitions and studied on her own as a per a time-table planned by her. Pointing out that she had expected 600 marks, she said she was delighted to find that she had indeed scored 625/625 and she dedicates this achievement to her parents and teachers, who encouraged her all through her studies. She wants to become a doctor and would start preparing for NEET Exam from now itself, she added.

G. Devika, a student of Nanjangud's Carmel English Medium School, is the daughter of Ganesh, a Government School teacher at Kadakola and S. Roopa couple.

B.S. Aditi of Sadividya School is the daughter of B.N. Sanjeev, a LIC Divisional Manager and K.M. Kala couple, residents of Vishweshwaranagar in city.

Expressing delight over her performance in the exam, she said she does not know how to express thanks to all those who encouraged and motivated her in her studies. Pointing out that she went to tuitions and studied for atleast four hours a day, she said she wants to become a doctor.

Yashaswi Urs, another student of Sadvidya School who shared the top honours, is the daughter of M.R. Manjunath, an employee of Automotive Axles and Lakshmi, a teacher at B. B. Garden Government School.

Maintaining that she had confidence that she would get full marks in all the subjects, Yashaswi Urs said that her expectations has come true as she secured 625/625. Stating that she went to a coaching centre, she wants to achieve the same result in PUC too.

Charukeerthy of Marimallappa School, is the daughter of L. Kumar and Vijayalakshmi couple, residents of Kanakadasanagar in city. Stating that she comes from an agrarian family with her father being a farmer having lands near Mahadevapura, she said she wants to become an IAS officer in the future.

Failure in SSLC exam

Student commits suicide

Hunsur, May 20 (Hanagod Mahesh&DM)- Just a couple of hours after the SSLC results were announced yesterday, a failed student ended his life by hanging self at his home in Bhutale Penjalli village near Hanagod in the taluk yesterday.

The deceased is identified as Sanjay Kumar (16), son of Vijay and a student of Government School at Nagapura.

Sanjay Kumar who had appeared for this year's SSLC exam, was in the hope of clearing the same. But when the results were announced yesterday, he had failed in English and Social Science subjects, which left him depressed.

Sanjay Kumar

Fearing that his parents would scold him, Sanjay Kumar reportedly committed suicide by hanging from the ceiling of a room in his house in the afternoon when his parents had gone for work.

The incident came to light when the parents returned home in the evening.

Hunsur Rural Police have registered a case in this regard.

Defeating the odds, visually-impaired Uttarakhand girl scores 514 marks in SSLC exams

Mysuru, May 20 (GA&TRR)- Kalpana, a student from Uttarakhand, who was infected with Tuberculosis (TB) disease and lost her eyesight due to the negligence by her parents, found a Good Samaritan in Mysuru with whose help and guidance she has scored 514 marks in the SSLC examinations, the result of which was announced yesterday.

This Joshimath town Urgam Valley resident of Uttarakhand learnt Kannada in just three months, wrote SSLC examination in Kannada and has passed out scoring 514 marks. Securing 92 marks in Kannada, which was unknown to her till recently, was another feather in the cap in the achievement of this student.

Kalpana, who was the daughter of Ravindra Singh and Asha, lost her mother when she was three-years-old and her father married another woman later. Her grandfather Ramsingh Negi became her guardian after she was neglected by her father and step mother. Adding to her woes she was diagnosed with TB disease.

Kalpana

The combined stress of being neglected and TB disease resulted in her losing her eyesight. Till then she was studying in 3rd standard and her education came to an abrupt end.

Saddened by the developments, her grandfather, who wanted to give good education to Kalpana approached Prof. Taramurthy of Mysuru, who was a teacher for many years. Presently, a volunteer of Isha Foundation, Prof. Taramurthy visits various parts of the country to understand the diverse lifestyle of the people.

While on one such tour four years ago, she visited Uttarakhand and stayed in a rented house of Kalpana for 2 years. During her stay, Kalpana's grandfather sought her help and requested her to see that his granddaughter gets education in any part of the country.

Responding positively, Prof. Taramurthy brought Kalpana to Bengaluru to get her eyes tested at a private hospital. On examination, the doctors felt that it was not possible to restore her eyesight after which Taramurthy bought Kalpana to Mysuru and got her admitted to city's Ranga Rao Memorial School for Differently Abled.

With the co-operation of school teachers and fellow students, Kalpana learnt Kannada in just three months and started talking fluently.

To ensure her education doesn't suffer during COVID pandemic, Prof. Taramurthy taught Kalpana all the subjects in her home and with the intention of making Kalpana write SSLC examinations directly, Prof. Taramurthy prepared her completely for this year's SSLC examination. Kalpana's will power, hard-work, dedication and perseverance accompanied by Prof. Taramurthy's guidance and cooperation has brought very good results. Kalpana has scored 92 marks in Kannada itself.

"Mysuru has become a hub of education and those who come here seeking education have not been deprived of the same and have done really well. Similarly, Kalpana, who hails from a village in Uttarakhand, has learnt Kannada and wrote her examinations in Kannada," said Prof. Taramurthy.

Taramurthy

"Prof. Taramurthy has worked very hard for my success and taught me lessons till midnight. Because of her guidance, I have scored good marks today. I want to continue my education in Mysuru and want to study IAS," said Kalpana.

Designers expo begins

A two-day designers exhibition, organised by Impressionz at Hotel Metropole on JLB Road in city, was inaugurated this morning. Organiser Krupa Sumanth is seen with other designers during the inaugural function. The expo will be open to public today and tomorrow from 10.30 am to 8.30 pm.

Diploma courses

Mysuru, May 20 (SSM)- The Department of Collegiate and Technical Education has invited applications from SSLC-passed candidates for admission to first year diploma at Government CPC Polytechnic in city.

Candidates, who wish to apply for courses like Machine Tool Technology, Automobile and Commercial Practice (Kannada and English), may submit the applications at the college during the office hours before June 11.

Candidates, who wish to apply for Civil, Computer Science, Electronics & Communication, Electrical & Electronics and Mechanical (General) Departments, must submit the applications before 6.30 pm on May 26.

Admissions for all these Departments will be taken based on the merit system. For details, visit ***https://dtetech.karnataka.gov.in/kartechnical/*** or ***www.cetonline.karnataka.gov.in/kea/***

Museum is not only a power, it is a world power: Prof. N.S Rangaraju

Mysuru, May 20- As part of International Museum Day-2022, under the International Council of Museums (ICOM) theme 'The Power of Museums,' the Anthropological Survey of India, Southern Regional Centre (SRC), had organised a Museum Popular Lecture at its premises in Bogadi here on Wednesday.

Prof. N.S Rangaraju, retired Professor from Department of Ancient History and Archaeology, University of Mysore, who is also a Member of Heritage Conservation Committee, Government of Karnataka and Convener of INTACH, Mysuru Chapter, inaugurated the programme by lighting the lamp along with Dr. Mithun Sikdar, Head of Office, SRC.

Delivering the Museum Day lecture, Prof. Rangaraju, who has played a vital role in developing and protecting museums and many heritage sites, said that Museum is not only a power, it is a world power.

He shared his 40 years of experience in preservation, restoration and development of archaeological sites, monuments, temples and many old museums in Karnataka and Tamil Nadu.

After the lecture, the present research scholars from Department of Anthropology, University of Mysore and Central University of Hyderabad discussed their conceptual clarities related to the topic.

R. Manjunath, Director of Mysore Airport, was also present along with invitee from IGRMS, SRC.Dr. Mithun Sikdar, Head of Office, SRC, welcomed. Banita Behera, Assistant Keeper, gave introduction to the lecture. P. Dalibandhu, Assistant Anthropologist, proposed a vote of thanks. The overall programme was coordinated by Banita Behera.

Vid. MJS Memorial Concert on May 21 and 22

Vidu. Srivani Yalla

Dr. Suma Sudheendra

Mysuru, May 20- Sri Nadabrahma Sangeetha Sabha is organising Vid. M.J. Srinivasa Iyengar (MJS) Memorial Concert on May 21 and 22 titled 'Veena Gana Sambhrama.'

The event is sponsored by students and family members of MJS, an ardent teacher of veena training innumerable students who are leading in the field today.

May 21 (6 pm): Vid. Srivani Yalla from Hyderabad is going to perform on Veena. She will be accompanied on mridanga by Tumkur B. Ravishankar and Sharath Kaushik on ghata.

May 22 (6 pm): Dr. Suma Sudheendra from Bengaluru is going to enthrall the audience through her Veena Recital. Pradeshacharya on violin, Anoor Ananthakrishna Sharma on mridanga & S.N. Narayana Murthy on ghata will be the accompanists.

The Annual Get-together of Railway Kodava Association was held at Simply Kodavas in Vijayanagar, Mysuru, on May 15. On the occasion, Bachamada Vasanth and Coluvanda Chengappa, who retired from service, were felicitated in the presence of their family members and the new Committee was formed. Seen are** (sitting from left): **Baleyada Hemalatha - Treasurer; Nallamada Carriappa - Secretary; Kullachanda Kesari - President; Noorera Yashu Bipin - Joint Secretary;** (standing from left): **Coluvanda Chengappa, Chendanda Nirmala Subramani, Bachamada Vasanth - Committee Members.

Visitors on a tour of Rail Museum

A section of the visitors on a tour of the Mysuru Rail Museum on the occasion of International Museum Day on Wednesday.

Mysuru, May 20- The Mysuru Rail Museum, in collaboration with the Department of Archaeology, Museums and Heritage, Government of Karnataka, Mysuru, had organised a Museum Day programme on Wednesday with the latter taking the museum enthusiasts across all museums in the city, including the Mysuru Rail Museum under their programme "Museum on Wheels."

Rahul Agarwal, Divisional Railway Manager, South Western Railway, Mysuru, in his greetings on International Museum Day, stated that a museum is an important means of cultural exchange, and enrichment of cultures, development of mutual understanding, cooperation and peace among people.

He called upon curators of museums to focus on these aspects and imbibe a sense of responsibility in the preservation of artefacts of immense heritage value and carry forward the legacy of great contributors to the development of Railway system in this region.

Installation of ISHRAE Student Chapter at MIT

Mysuru, May 20- The new committee of ISHRAE (Indian Society of Heating, Refrigerating and Air-conditioning Engineers) Student Chapter for the academic year 2022-23 was installed at the Department of Mechanical Engineering, Maharaja Institute of Technology (MIT), Mysore, on May 17.

The dignitaries present on the occasion included Dr. Sabike Noobia, Deputy Environmental Officer, Karnataka State Pollution Control Board, Regional Office-1, Mysuru (Urban), Dr. B.G. Naresh Kumar, Principal, MIT, Mysore, Anilkumar, President, ISHRAE, Mysore Chapter, Dr. Mohamed Khaisar, Professor and HoD, Mechanical Engineering, MIT Mysore, Prof. E. Amruth, Student Chair, ISHRAE Mysore chapter. Prof. G.D. Chethana, Faculty Advisor & Secretary ISHRAE Mysore Chapter and Arani Srinivas, Refrigeration Chair of ISHRAE Mysore chapter.

Anilkumar installed the new committee by administering the oath to office-bearers. Later, a technical talk on "Individuals Role in Environmental Protection" was delivered by Dr. Sabike Noobia.

Centre to set up 10,000 Farmer Producer Organisations: Union Minister

Mysuru, May 20 (MTY&DM)- Union Minister of State for Agriculture and Farmers' Welfare Shobha Karandlaje said that the Union Government has planned to set up over 10,000 **Farmer Producer Organisations (FPOs)** across the country in the coming days.

Addressing a press meet at a private hotel adjacent to Lokayukta office here this morning, Shobha Karandlaje, who is an MP from Udupi-Chikkamagalur Lok Sabha seat in Karnataka, said that FPO is one of the many initiatives of PM Narendra Modi for economic betterment of farming community, especially small and marginal farmers.

She pointed out that the FPOs, where the members are farmers itself, provide end-to end support and services to small farmers and cover technical services, marketing, processing and other aspects of cultivation inputs. The FPOs also provide farmers access to timely and adequate credit and provide linkages to markets, she added.

Referring to fertiliser scenario, Shobha said that the country had to import petroleum-based fertilisers as there was a shortfall in other types of fertilisers during COVID crisis. Announcing that there are plans to set up more fertiliser units to meet the domestic demands and become totally self-reliant, the Union Minister said that these new units will be established shortly.

Explaining the initiatives of the Union Government for doubling farmers income and providing them market support, Shobha Karandlaje said that the Government is in talks with Afra Import and Exports Company and the DGFT (Director General of Foreign Trade) on exporting agricultural and Horticultural produce to needed countries. Maintaining that several rounds of talks have been held with exporters on the prospects of export of each farm produce, she said that the Government is studying the terms and conditions of production and storage.

Accordingly, the farmers will be educated on the quality and quantity of fertilisers to be used and all other aspects of crop production, she said that Agro-based Clusters (AC), which are a concentration of producers, agribusinesses and institutions that are engaged in the same agricultural or agro-industrial sub-sector, will be engaged for the purpose. Shobha further said that PMKSY (Pradhan Mantri Kisan Sampada Yojana), a scheme for integrated cold chain and value addition infrastructure, will help the farmers in preservation of their produce and access to markets, where the farmers will get a better price.

Ex-MLC G. Madusudhan, BJP candidate for South Graduates Constituency M.V. Ravishankar, City BJP President T.S. Srivatsa, party leaders Cable Mahesh, U.S. Shekar were present.

Three new food products launched at CFTRI

Mysuru, May 20 (RK&BCT)- Union Ministers Jitendra Singh and Shobha Karandlaje this morning launched three products developed by CFTRI — pour-over mini idli, cold coffee and minimally processed fresh cut ready to eat fruits.

Pour-over mini idli

The ready-made idli batter, developed by CSIR-CFTRI, is a popular technology. Later on the Institute developed ready mix for idli, fermented and dried instant idli/ dosa batter and idli, chutney, sambar in a tray under REPFED technology, wherein the product can be stored under refrigerated conditions in heat-and-eat format.

According to CFTRI, this product offers great convenience and is a pour-over product, where idlis with sambar powder are provided. Sambar powder is added to hot water to get sambar and idlis are dipped in this hot sambar to get ready-to-eat idli sambar in 4-5 minutes.

Cold coffee

Cold coffee is a refreshing drink to suit every taste at any time of the day. It is enriched with the benefits of green coffee extract and it is a combination of powerful antioxidants and caffeine. One can avail the richness of premium coffee, chocolate and vanilla-flavoured cold coffee.

Cut fruits

Minimally processed fruits is a mission-oriented R&D programme of CSIR-CFTRI with industrial partner BigBasket. The process provides convenience, freshness, retains nutrients, microbial safety and extends shelf life 3-5 folds benefiting industries/ enterprises in the long run.

With busy lifestyle and health-conscious consumers, fresh cut fruits would be one of the most demanding sector in food industry, a release said.

Srirama Sugar factory leased out to Nirani Sugars for 40 years

Mysuru, May 20- Years after Srirama Sugar Factory at Chunchanakatte in K.R. Nagar taluk of the district shut down due to recurring losses and mounting debts, the Government has decided to lease out the factory to Nirani Sugars of Mudhol-based MRN Group of Industries, owned by Karnataka Industries Minister Murugesh Nirani.

Nirani Sugars, which is based at Mudhol in Bagalkot district, is running a chain of sugar industries and two-years ago , the company took over the decades old Pandavapura Sahakara Sakkare Kharkhane (Pandavapura Sugar Factory) at Pandavapura in Mandya district on a 40-year lease.

Now, with the Government reportedly giving its nod, Nirani Sugars is all set to take over Chunchanakatte Sugar factory too on a 40-year lease, for a lease amount of Rs.120 crore.

According to Government sources, the Director for Cane Development and Sugar has been entrusted with the powers to issue the lease and work order. The lessee (Nirani Sugars) will have to be registered at the concerned Registering Authority within three months of agreement, which has to be made after the lessee — Nirani Sugars remits Rs. 50 lakh as security deposit.

Also, Nirani Sugars will have to remit Rs.2.50 crore as advance payment along with the security deposit and Annual Contract Money to the Managing Director of Chunchanakatte Srirama Sugar Factory. Besides, a Joint Account has to be opened in the name of Deputy Commissioner of Mysuru for making payments and the lessee has to first clear the loans due to MCDCC Bank in a single instalment and subsequently,the loans that are due to the Government and other financial institutions.

The lessee can start sugarcane crushing from the current year (2022-23) itself, with the condition that the Lessee has to pay in time to the farmers the FRP (Fair and Remunerative Price) to be announced by the Central Government and the State Advisory Price (SAP) from time to time

When the 40-year lease ends in 2061-62, the Lessee is required hand over the control of the factory to the Management, without leaving any debts or other financial burdens.

The order to lease out Srirama Sugar Factory to Nirani Sugars was issued by the Under Secretary of Industries and Commerce Department (Sugar) Supriya Pattar on May 17.

Corruption in sinking borewells too, alleges KPCC spokesperson M. Lakshmana

Mysuru, May 20 (RKB&TRR) KPCC spokesperson M. Lakshmana has alleged that corruption has been skyrocketing in the State ever since the BJP came to power in the State.

"Corruption is rampant in sinking of borewells for the backward classes. The job of sinking borewells have been given to the undeserving contractors using the grants of Rs. 431 from the Social Welfare Department. They have received as commission of Rs.160 crore," he alleged.

He was speaking at a press meet held at Congress Bhavan on Thursday. "Sinking a borewell costs Rs. 83,000 in Backward Classes Welfare Department. But the cost of sinking a borewell is fixed at Rs.1.93 lakh in the Social Welfare Department. Those who have participated in the tender process have submitted fake work and income certificates," charged Lakshmana.

Money has been looted by sinking borewells overnight and by creating fake documents. Records have been created to show sinking of more than 1,000 borewells in a month. This is an organised corruption and Ministers, MLAs and RSS leaders are involved in this scam, he added.

Lakshmana

Criticising MP Pratap Simha for asking the public to grab the collar of the Corporators in case they don't solve their problems instead of complaining to him, Lakshmana said that he is behaving as if he has all the responsibility on his shoulders. Corporators are also people's representatives like him and it is not proper for Pratap Simha to make such a statement, he added.

City Congress president R. Murthy, General Secretary M. Shivanna and others were present at the press conference.

Story-telling on Saturday

Mysuru, May 20- As part of its 'Kathe Kelona Banni' programme - 724, Kalasuruchi has organised story-telling by Shanmukharadhya, retired teacher, Mysuru, at Suruchi Rangamane, #476, Chitrabhanu Road, Kuvempunagar, on May 21 (Saturday) between 4.30 pm and 5.30 pm.

For details, contact Ph: 0821-2541795 or Mob: 92435-81097 or 99459-43115, according to a press release from Kalasuruchi.

CM to resign today?

(Continued from page 1)

Bommai will leave on May 22 to attend the summit and return to Bengaluru on May 26. The BJP has already decided to send Bommai to Davos along with the CM of a non-BJP ruled State.

Bommai had earlier announced plans to travel to London and Davos between May 18 and 26. While the London leg of the tour, where he was scheduled to unveil a statue of Lingayat Saint Basavanna, was cancelled, Bommai was still undecided on Davos part of the trip, scheduled from May 22-26, on account of uncertainty in the State's political situation.

"I will decide soon (on travel to Davos). For the Davos event, I am one of two Chief Ministers who have been invited, so it is of importance," Bommai had said last Saturday. "However, since many issues have come up — like elections to the Legislative Council and Rajya Sabha — it is to be decided how many days I should be away, and when I should go," he had stated.

Meeting with Amit Shah

The uncertainty in Bommai's remarks came after his May 11 visit to New Delhi to meet Union Home Minister Amit Shah where his continuance as the CM was discussed along with the impending changes in the State Cabinet.

After meeting Amit Shah, Bommai had stated that anything could happen over the next week in the political situation in Karnataka. "We cannot count the days in politics (on when changes will take place)," he had said.

Sources said that in seeking Basavaraj Bommai's resignation, the BJP high command is following the same pattern like the one it had followed when it sought the resignation of B.S. Yediyuyrappa. Though Yediyurappa was made to resign in advance, the official announcement came only after a fortnight.

Natl. meet on 'Digital trends and technologies in Commerce and Management' held

Mysuru, May 20 (SSM)- A one-day National-level meet on 'Digital trends and technologies in Commerce and Management: Issues and Challenges,' organised by Vidyavardhaka First Grade College (VVFGC), PG Centre, Mysuru, in association with University Industry Interaction Centre (UIIC) was held at P.M. Chikkaboraiah Hall in the College premises recently.

Speaking after inaugurating the Conference, University of Mysore (UoM) Vice-Chancellor (VC) Prof. G. Hemantha Kumar said that the existing technology can present opportunities and flexibility for business processes through structural characteristics like language, platform and design.

Stressing on the fact that a person must access, compare and make decisions prior to using any digital trends, the VC explained about cloud computing and ways to set up a virtual office to give flexibility of connecting every business anywhere and anytime.

"Career Hub introduced by UoM is exclusively to benefit the students to build their dream careers," he added.

Data Science & AI NASSCOM Programme Director Madhav Bissa, in his keynote address, spoke on topics like digital trends by differentiating digitisation, digitalisation and digital transformation.

He further said how India was taking initiatives on digital innovations to accelerate 'Digital Transformation' and how these innovations gave necessary foundation to digitally transform industries faster, smarter and cheaper. Vidyavardhaka Sangha (VVS) Hon. President Gundappa Gowda in his presidential address spoke about the inception of the institution and advantages of technologies in our daily life along with the technological developments and advancements of such technologies over the last few decades.

Vidyavardhaka Sangha Hon. Secretary P. Vishwanath, Treasurer Shrishaila Ramannavar, Managing Committee Chairman T. Nagaraju, UIIC-UoM Director Prof. B. Mahadevappa, research scholars and students were present.

Admissions to Government Residential PU College

Mysuru, May 20 (SSM) - The Karnataka Residential Educational Institutions Society (KREIS) has invited online applications from SSLC passed students for admission to First PU course (2022-23) at Government-run Morarji Desai Residential Science College (Hosakote and Varakodu), Ekalavya Model College (Sollepura at H.D. Kote Taluk) and Atal Behari Vajpayee Residential PU College (Tagaduru) coming under Social Welfare Department, Scheduled Tribes Development Department and Backward Classes Welfare Department in Mysuru District limits.

Eligible students must submit applications with copies of SSLC marks card, Aadhaar card, caste certificate, income certificate, SATS No. along with two passport size photos. Applications must be submitted within two days after SSLC results are announced. Preference will be given to those students who have studied in KREIS Residential Schools. Students will be provided free food, hostel facility, uniform, books, stationeries and other basic facilities including training for NEET, CET and JEE entrance exams.

For details, visit nearby KREIS or contact Mob: 91085-39913 or 95918-23318 or 90082-83837, according to a press release from the Social Welfare Department Joint-Director.

Riders killed as bus knocks them down on Nanjangud Road

Nanjangud, May 20 (Chandru& KS)- Two persons were killed while another suffered serious injuries when a Kerala bus knocked them down on Nanjangud Road yesterday morning.

The deceased have been identified as Doreswamy of Kebbepura and Sachin of Kullapura, while the seriously injured is Raghu of Kallahalli, all aged between 23 and 24 years and employees of a juice manufacturing unit in Tandya Industrial Area.

Doreswamy, Sachin and Raghu, after completing their night shift, were on their way to Nanjangud, riding triple on the Hero Honda bike (KA-09-SR-7705) last morning. The trio were overtaking a lorry, when a Kerala registration bus (KL-15-A-1977), which came in the opposite direction rammed into the bike near Kali Hundi Gate on Nanjangud Road, resulting in the riders sustaining broken legs and other serious injuries.

They were rushed to a hospital in Mysuru, where Doreswamy and Sachin succumbed to injuries, while Raghu is undergoing treatment at a private hospital in Mysuru. Nanjangud Traffic Police Inspector Lohit Kumar and staff, conducted mahazar, registered a case and have seized both the vehicles. Sources said that the Traffic Police were conducting checking at a distance from the accident spot and the riders were knocked down by the bus when they were overtaking a lorry.

WORD OF THE DAY

Ramshackle

Pronunciation: RAM-shak-ul.
Meaning: Ramshackle means "in a very bad condition and needing to be repaired" or "carelessly or loosely constructed."
Origin: Ramshackle has nothing to do with rams, nor the act of being rammed, nor shackles. The word is an alteration of ransackled, an obsolete form of the verb ransack, meaning "to search through or plunder." (Ransack comes from Old Norse words meaning "house" and "seek.") A home that has been ransacked has had its contents thrown into disarray, and that image may be what inspired people to start using ramshackle in the first half of the 19th century to describe something that is poorly constructed or in a state of near collapse. Ramshackle in modern use can also be figurative, as in "a ramshackle excuse for the error."
Example: "Near the Otara town centre in South Auckland, there's a large block of land overgrown with trees and brush and dotted with ramshackle houses and farm sheds." — Tony Wall

THE ODD WORD

Raglan

Having sleeves going all the way to the neck.

PHRASE OF THE DAY

Rack and ruin

Meaning: To go to rack and ruin is to fall into a state of complete disrepair or destruction.
Origin: It might be thought that the rack in this phrase refers to the medieval torture device, as in the phrase rack one's brains. This rack is however a variant of the now defunct word wrack, more usually known to us now as wreck. The rather tautological use of the two similar words 'rack' and 'ruin' is for the sake of emphasis. In that respect the phrase follows the pattern of beck and call, chop and change, fair and square etc.
The term 'going to wreck' was the forerunner of 'rack and ruin' and was used as early as 1548, in a sermon by Ephraim Udall:
"The flocke goeth to wrecke and vtterly perisheth."
Henry Bull moved the phrase on to 'wrack and ruin' in his translation of Luther's Commentarie upon the fiftene psalmes, 1577: "Whiles all things seeme to fall to wracke and ruine." The phrase 'Rack and ruin' - meaning and origin. We finally get to the contemporary 'rack and ruin' in 1599, when the Oxford historian Thomas Fowler published The history of Corpus Christi College: "In the mean season the College shall goe to rack and ruin." Judging from the accompanying picture the college seems to have survived the following 400 years quite well, and Fowler need not have worried.

QUOTE BOX

What's old collapses, times change, and new life blossoms in the ruins.

—Friedrich Schiller

Sudoku is a number-placing puzzle based on a 9x9 grid with several given numbers. The object is to place the numbers 1 to 9 in the empty squares so that each row, each column and each 3x3 box contains the same number only once. The difficulty level of the Concept is Sudoku increases from Monday to Sunday.

CRYPTOQUIP

The Cryptoquip is a substitution cipher in which one letter stands for another. If you think that X equals O, it will equal O throughout the puzzle. Single letters, short words and words using an apostrophe give you clues to locating vowels. Solution is by trial and error.

Youth International Short Film Festival on May 22

Mysuru, May 20- Filmaholic Foundation has organised the 3rd Karnataka Youth International Short Film Festival and Mysuru International Water Film Festival 2022 at Natana Rangashale in Ramakrishnanagar **between 9.30 am and 7.30 pm on May 22.** For details, contact Mob: 88846-31393 or 99863-84254 or 82773-74737.

The purpose of organisers of this festival, "Filmaholic Foundation," is to attract best films, addressed to students and youths which meet the festival criteria from across the world.

This festival educates the public, using various subjects used for the category of films dealing with the students and youths against violence, discrimination, racism and other social causes. In this regard, awareness messages are conceived to promote and bring out the creative talent among students and youths. This is the third year of the Karnataka Youth International Short Film Festival.

Filmaholic has also conducted film festivals in other part of Karnataka like Bengaluru, Dharwad, Mysuru and Shivamogga.

Mysuru International Water Film Festival, Malnad International Wildlife and Environmental Film Festival and Cinema Antaranga Film Festival are the other film festivals successfully conducted by Filmaholic Foundation.
